| Chapter 1: ADMINISTRATION AND MANAGEMENT | | Page 1 of 3 and Attachments |
| Section 3: Human Resources | | Effective Date: August 1, 2000 |
| Signature: /s/ Loraine Wodnik, Deputy Director | | Revised: 09/07/2016 |

I. POLICY

The Department of Corrections will obtain cellular telephone service or may reimburse personal cellular telephone use for duly authorized personnel as an additional or alternate means of communication for business purposes.

II. APPLICABILITY

All Department divisions, facilities, and programs.

III. DEFINITIONS

<u>Administrator</u> – The official, regardless of local title (division or facility administrator, bureau chief, warden, superintendent), ultimately responsible for the division, facility, or program operation and management.

<u>Cellular Manager</u> – The individual within the Department assigned to manage the issuance of cellular telephones and the efficient use of minutes and cellular plans.

<u>Data Device</u> – A combination cellular telephone and wireless digital assistant that connects to the State Information Technology network and allows the end users to remotely access their Outlook email, tasks, address books, and calendars in addition to cellular service.

<u>Data Service</u> – Any use of Internet, email, MMS (multimedia message service), VOIP (Voice over Internet Protocol), or SMS (Short Message service).

<u>Mobile Device Management</u> - Mobile device configured so that the Enterprise Security Configuration (ESC) controls the security of the device such as password resets, timeouts, encryption, Bluetooth, etc. It allows the ITSD Infrastructure Administrators to erase information and all removable media in the event the device is lost or stolen.

IV. DEPARTMENT DIRECTIVES

All Department Directives are applicable to both state issued cellular telephones as well as personal reimbursement requests unless specified otherwise.

A. Acquisition Requirements

1. Employees requesting a state issued cellular telephone/data device, or requesting email access via a personal data device must complete the appropriate State Issued Cellular Telephone Request and Authorization or the Personal Data Device Reimbursement Request and Authorization form and submit it to the administrator or appropriate supervisor for approval.

- 2. If the request is approved, the State Issued Cellular Telephone Request and Authorization or the Personal Data Device Reimbursement Request and Authorization form must be forwarded to the cellular manager for appropriate processing.
- 3. Data device requests will be forwarded by the cellular manager to the Department's IT Service Desk for approval by an authorized IT security officer and scheduling of data service delivery.
- 4. Users of the State of Montana's Exchange system may connect to email, calendar, and contacts via a mobile device. Department employees will be required to submit a Mobile Device User Agreement form.

B. General Use Requirements

- 1. Cellular telephones, data devices, and personal reimbursements are provided in order to conduct state business in a more efficient manner or if essential for performance of job duties.
- 2. Employees will use cellular telephones and data devices only when other more conventional and cost effective means of communication are not available.
- 3. Employees must immediately notify the cellular manager and appropriate management, verbally and in writing, in the event of loss, theft, transfer, or reassignment of cellular telephones and data devices.
- 4. Use of cellular telephones and data devices inside secure areas of Department facilities is restricted.
- 5. Use of cellular telephones and data devices when operating a vehicle while on state business will be restricted in accordance with *ARM 2.6.210*, "(1) State employees shall drive in a careful and prudent manner so as not to unduly or unreasonably endanger the life, limb, property, or rights of a person entitled to use a street or highway. (2) State employees are strongly encouraged not to use handheld cell phones or other handheld electronic communications devices or objects while operating state vehicles or personal vehicles on state business. Exceptions to this rule are law enforcement and emergency response personnel."
- 6. Failure to comply with the provisions outlined in this policy may result in corrective or disciplinary action up to, and including, termination.

C. State Issued Cellular Telephone Use Requirements

 In addition to state business, cellular telephones and data devices may be used to contact children, teachers, doctors, daycare centers, babysitters, and family members to inform them of unexpected schedule changes and other essential personal business. The use of cellular telephones and data devices for essential personal business must be kept to a minimum and must not interfere with the conduct of state business.

- 2. While conducting Department business outside the State of Montana, employees will appropriately manage use of their cellular phones and data devices to assist the Department in controlling the high costs of cellular long distance and roaming fees.
- 3. Use of data service must be in accordance with *DOC Policies 1.7.6 Unlawful Use of IT Resources* and *1.7.9 Acceptable Use of IT Resources*.

D. Personal Data Device Reimbursement Requirements

- Data device reimbursements are provided to individuals who maintain an
 employment position of bureau chief level or higher. Positions below this
 qualification may be considered with a request. Determination of exceptions will be
 made with consideration to consistent travel and availability, immediate access
 needs, and independent responsibilities.
- The Department will provide a reimbursement not to exceed \$40 monthly.
 Reimbursement will be provided quarterly though monthly accommodations may be made on an individual basis.
- 3. A receipt of payment from the employee's cellular vendor attached to a <u>Travel</u> <u>Expense Voucher</u> will be required for processing of reimbursements.

V. CLOSING

Provisions of this policy not required by statute will be followed unless the provisions conflict with negotiated labor contracts, which will take precedence to the extent possible.

Questions concerning this policy should be directed to the employee's immediate supervisor or the cellular manager.
